The North End Mothers' Club, founded in 1911, is an organization of women from throughout Evanston who are interested in supporting Evanston's youth. Our purpose is to promote and advance educational, charitable, civic, health and welfare activities in Evanston and support and assist organizations dedicated to these purposes.

NEMC's major fundraising event is our sponsorship of the Fortnightly Dance Classes (open to 6th and 7th graders from all of Evanston's Middle Schools). We also offer a variety of social events which combine fun with fundraising, and include:

- Fall membership cocktail party.
- Spring fashion show and luncheon.
- Summer party (usually around 4th of July).
- Other ad hoc events such as wine tastings, cooking demonstrations, tours, etc.

Our 14 Standing Committees are: Fortnightly, Finance, History, Legislation, Membership, Membership Outreach, Nominations, 4th of July Parade, Policy, Programs, Publicity, Raffle, Scholarships, and Social.
